

# COMMUNITY CARE HUB

The Community Care HUB is proud to serve students and families of the Greater Johnstown School District. Students and their families can be referred to the HUB if they are:

- Elementary (K-4) students struggling with grades or attendance
- Experiencing significant social service needs

Families will be connected to a HUB Community Health Worker who will meet 1:1 with them to navigate the healthcare and social service system, helping connect them to all the services they need.

Services that family members can be connected with include:

- Adult education
- Employment
- Food security
- Health coverage
- Housing
- Medical referrals
- Mental health
- Oral health
- Pregnancy/Postpartum
- Social service referral
- Substance use
- Transportation

.....and MORE!

**To make a Referral: Call Mr. Don Trotz,  
Johnstown Elementary School Guidance Counselor (814) 361-3678**
