

Services that family members can be connected with include:

- Adult education
- Employment
- Food security
- Health coverage
- Housing
- Medical referrals
- Mental health
- Oral health
- Pregnancy/Postpartum
- Substance use
- Transportation

....and MORE

The Community Care HUB is proud to serve students and families of the Somerset Area School District. Students and their families can be referred to the HUB if they are:

- Experiencing significant social service needs

Families will be connected to a HUB Community Health Worker who will meet 1:1 with them to navigate the healthcare and social service system, helping connect them to all the services they need.

To make a Referral, please contact your school guidance counselor or social worker.
